Safety Inspection Services

Our ETCP Certified inspectors cover not only the stage area, but also front of house and anywhere else you have performance related equipment.

Safety Training

We offer comprehensive training to schools, companies, organizations and theatres in Rigging, Fall Arrest and Rescue Procedures. Classes are one, two or three days in length and can be held in your facility or ours.

Fall Arrest / Fall Protection Programs

Since 1981 we have been providing equipment, system design and installation in all types of performance based venues.

Rescue Plans & Equipment

We provide this often overlooked service to protect workers after the accident occurs. Our rescue plan program meets or exceeds all OSHA and ANSI Z359 requirements.

Equipment Maintenance Plans

There is no one better qualified than our ETCP Certified technicians to keep your system running safely and efficiently.

We stand behind, and under, our work.
